

The **Quarters**  
STATEMENT OF RENTAL POLICY  
Revised November 4, 2013

Thank you for choosing The Quarters on Campus! Please make sure you review this Statement of Rental Policy before applying for an apartment home. The term “applicant” in this document is defined as the person or persons who will be signing the Lease as the “resident.” All applicants must be 18 years of age or older to qualify as a resident. All individuals 18 years of age or older must complete an application and be listed as a resident on the Lease Agreement. The term “occupant” in this document is defined as the person or persons who will be listed on the lease agreement who is under the age of 18, and who is residing at this community. Some criteria listed in this policy will apply to the applicants only and other criteria will apply to all occupants. Please note that this is the current rental criteria for this community; nothing contained herein constitutes a guarantee or representation that all residents and occupants currently residing here have met these requirements. There may be individuals who began residing at this community prior to this particular criterion going into effect; additionally, the ability to verify whether these requirements have been met is limited to the reliability of information received from applicants and outside services used.

**EQUAL HOUSING:** The Quarters on Campus is an Equal Housing Opportunity Provider, doing business in accordance with the Federal Fair Housing Act. The Quarters on Campus does not discriminate against any person because of race, color, religion, sex, handicap, familial status, or national origin. Additionally, we provide housing in accordance with all other state or local laws if those laws provide greater protection than the Federal Fair Housing Act.

**APARTMENT AVAILABILITY:** Applicants for apartment homes will be accepted on a first come – first served basis and are subject to the availability of the particular apartment type requested. “Availability” does not necessarily mean that an apartment will definitely be available for occupancy by an applicant at this estimated date. “Available” apartments include those where a “Notice to Vacate” has been submitted by an existing resident indicating an intention to vacate on or about a certain date. Under certain circumstances, we will permit current residents who are not in default of their lease to withdraw or change their notice of moving. Other circumstances not necessarily under Management’s control may also delay the date of availability of an apartment. In addition, an apartment may not be considered available because it is about to be placed under contract as an application has been made and a deposit placed to hold the apartment. If the applicant’s application is not approved or if the applicant fails to sign a Lease by the specified date, then the apartment would again become available. Whether a particular unit or type of apartment is available can vary significantly within several hours or days.

**RENTAL CRITERIA:** All applicants and co-signers must agree to the following by executing this Statement of Rental Policy and a rental application form. Applicant(s) hereby consent to allow The Quarters on Campus, through its designated agent and its employees, to obtain and verify credit information, including criminal background search for the purpose of determining whether or not the applicant is eligible to lease an apartment. Applicant understands that upon leasing an apartment, The Quarters on Campus and its agent shall have a continuing right to review credit information, rental application, criminal background, payment history and occupancy history. Faxed signatures are acceptable; however, original signatures must be obtained prior to move-in.

**INCOME:** All Leaseholder’s and Cosigner’s income combined must equate to **3x** the monthly rent. The three types of income used to establish the income to rent ratio eligibility are: employment income, other income and personal assets. Please consult a leasing associate for the specific income to rent ratio designated for The Quarters on Campus.

**SCORING OF CONSUMER CREDIT:** If all applicant’s combined income meets this community’s income requirements for the apartment applied for, The Quarters on Campus will proceed in running a thorough credit check on all applicants age 18 and older that apply for residency. The Quarters on Campus uses an expert statistical credit scoring system to evaluate consumer credit. This information is compared to the credit trends of other consumers to predict how likely it is that the applicant will pay rent in a timely manner and fulfill all lease obligations. Based upon the applicant’s credit score and check writing history, the application will be accepted, rejected, or accepted on the condition that an additional security deposit is paid and/or payments in the form of cashier’s check or money. If the application is rejected or accepted with conditions, the name, address and telephone number of the consumer reporting agencies which provided the consumer information will be disclosed. The applicant will be automatically rejected if an eviction occurred in the past five (5) years. An applicant rejected for unsatisfactory credit is encouraged to obtain a copy of the credit report, correct any erroneous information that may be on the report and submit a new application to this community for further consideration.

**CRIMINAL BACKGROUND CHECKS:** If the application is accepted or accepted with conditions, an extensive criminal background search will be conducted, including but not limited to the applicants past two years of residency and the state in which the applicant’s driver’s license was issued. The Quarters on Campus performs criminal background checks in accordance with applicable federal and state laws. Applicant’s signature on the Rental Application for Residents and Occupants authorizes us to check not only the applicants’ credit history, but also any arrests or convictions. Applicants will be required to answer questions on the application stating whether they have been convicted of or arrested for a crime; if so, what the crime was, when and where it occurred and the disposition of that charge. An unsatisfactory criminal background or a check that results in pending charges will result in denial of the application. However, not all crimes disqualify applicants from living at the community. Crimes that result in denial of residency are those which pose a serious threat to the health, safety, and welfare of persons living or working in our community. The applicant may be denied for any of the following reported criminal-related reasons that have occurred within the past ten (10) years prior to the application date: felony conviction, any terrorist-related conviction, any illegal drug-related conviction, any prostitution-related conviction, any sex-related conviction or consequent listing on the sex offender registry, any cruelty to animals-related conviction, misdemeanor conviction involving crime against person or property only if the prior mentioned charges resulted in “Adjudication Withheld” and/or “Deferred Adjudication”, and active status on probation or parole resulting from any of the prior mentioned reasons. Please be advised that this requirement does not constitute a guarantee or representation that residents or occupants currently residing in our community have not been convicted of or subject to deferred adjudication for a felony, certain misdemeanors or sex offenses requiring registration under applicable law. There may be residents or occupants that have resided in the community prior to this requirement going into effect. Additionally our ability to verify this information is limited to the information made available to us by the resident credit reporting services used.

**GUARANTOR/COSIGNER:** In the absence of any of the above financial qualifications, with the exception of negative credit, a guarantor may be accepted. Guarantors must fully meet the credit and criminal background requirements. Guarantor's income must be verified. All applicants using a Guarantor must abide by the Screening Recommendation. Guarantor must sign the Lease Contract Guaranty and all other documents required by Management. Guarantor will be fully responsible for the lease if the Resident(s) default.

**OCCUPANCY HISTORY:** We reserve the right to verify up to 24 months rental history. A positive record of prompt monthly payment, sufficient notice given and no damages is expected. Renting from a relative is not considered rental history; as a contract performance cannot be determined. Home mortgages can substitute for rental history. If there is no rental history, applications may be approved with an additional security deposit.

**FEES/DEPOSITS:** In order to reserve an apartment home, applicant must submit an executed application along with the following fees and deposits:

- A non-refundable administrative fee of \$250 for each applicant 18 years or older.
- A refundable deposit of \$100 for each applicant 18 years or older.

Applicant understands that an additional security deposit may be required based on credit scoring requirements. If, for any reason, Management decides to decline the application, Management will refund the administrative fee and the security deposit in full. If an applicant is conditionally approved, but chooses not to pay the additional deposit, then his/her application will be considered declined. If the application is approved and the applicant fails to sign a lease or take occupancy of the premises on the agreed date, Management may retain the administrative fee and the security deposit as liquidated damages for the amount of rent lost and any expenses incurred due to the cancellation.

**OCCUPANCY:** An apartment home shall contain sufficient bedroom space to accommodate the size of applicants' household. As a general rule, "sufficient bedroom space" is determined by the number of people in the apartment home. No more than two people for each bedroom plus one is allowed in the apartment home. The term "equivalent" room does not include bathrooms, kitchens, foyers or laundry rooms. All members of the household, regardless of age, will be required to be listed on the lease agreement. The Quarters on Campus policy is to conform to local and state requirements to the extent that they require a different standard than stated here.

**INTERNATIONAL RENTAL CRITERIA:** In addition to qualifying under the terms stated in the Statement of Rental Policy, applicants from countries other than the United States **WHO DO NOT HAVE A SOCIAL SECURITY NUMBER ARE TO BE PROCESSED MANUALLY** and must meet the following criteria:

- An original, valid passport showing raised notary seals and USCIS (US Citizenship and Immigration Services) documentation, which includes a photograph and fingerprints, is required. Expired passports or USCIS documents result in an automatic decline of application. On the Rental Application for Residents and Occupants, the applicant is to fill in the Passport Number in lieu of a Social Security Number.
- International applicants with a Guarantor are required to pay AN ADDITIONAL ONE MONTH'S RENT AS A DEPOSIT.
- International applicants with no Guarantor, but verifiable employment are required to pay AN ADDITIONAL TWO MONTH'S RENT AS A DEPOSIT.
- International applicants with no Guarantor, but are self-employed or unemployed with verification of income are required to PAY AN ADDITIONAL THREE MONTHS RENT AS A DEPOSIT.
